YOUR LOCATION AND PLANTS WILL BE INSPECTED PERIODICALLY

Your location must be free of weeds that could interfere with a dependable inspection or pose a safety hazard to the inspector.

Your location must be free of Fire Ants.

Your plants must be free of insects, diseases, weeds, and other plant pests.

Your plants must be in good physical condition - no wilting, no waterlogging, no nutrient deficiencies, no dead or dying plants.

*****Your location could be quarantined if you do not pass inspection as a result of serious problems relating to the health or condition of plants. If the problems noted by your inspector are not corrected, you could lose your license and be prohibited from engaging in business as a Live Plant Grower or Dealer.*****

*SAVE US ALL TIME AND TROUBLE
BY KEEPING YOUR LOCATION IN EXCELLENT SHAPE.*
